Response to Indiana Department of Health Report

May 23, 2024

Porter County Education Services received the report from the Indiana Department of Health on May 22, 2024 in reference to the result of an indoor air quality evaluation completed at SELF School on May 13, 2024 by Rick Plew, Industrial Hygienist, Indoor Air Section Environmental Public Health Division.

In reference to the requirements of the School Indoor Air Quality rule 410 IAC 33-6-2, the report is posted on the Porter County Education Services website and at the school building and will remain posted for 14 consecutive days.

In reference to the requirements of 410 IAC 33, Porter County Education Services will respond within 60 days of any actions taken in response to receipt of this report.
